MAYVILLE — Down with the old — up with the new. And for the village, that meant a new restaurant. The years have been good for the Windham family.

Owners of the Windows 2 The Past restaurant stand next to their 1,000th customers, Robert and Nancy Slack of Fostoria.

What began with a gift shop several years ago has now expanded into a restaurant that meets the eating needs of not only area residents, but visitors alike.

The building that houses The Broken Tea Shop and gift store now includes Windows 2 The Past restaurant. Owners Stacy and Tony Windham utilize all of the 2,000 square feet of their building.

"The tea shop and gift shop take up at least half the space, the restaurant can accommodate 30 people," Stacy explained. "And it wasn't too long ago that we serviced our 1,000th customer."

The couple agrees that they've been blessed. "We're truly lucky to have had the flow of customers we've had in such a short period of time," Stacy added.

Serving breakfast and lunch Monday through Saturday from 6 a.m.-3 p.m. and Sunday from 11 a.m.-3 p.m., Windows 2 the Past Café opened Sept. 2, 2008. The café and gift shop is located in the heart of Mayville. The Broken Teapot's shelves are loaded with speciality items including gourmet tea and coffee.

The restaurant serves daily homemade specials, bakery items and speciality coffee drinks.

"We look forward to serving many more customers for many years to come," Stacy added.
